

PUBLIC NOTICE/0070/2024

**PUBLIC NOTICE FOR AN INTERNATIONAL CALL FOR APPLICATIONS
FOR THE POST OF LAB TECHNICIAN**

Internal Reference: CBR-2024-09

1. Framework

The Rector of Universidade Católica Portuguesa, Prof. Dr. Isabel Capelo Gil, hereby announces the opening of an international call for applications for one vacancy of lab technician to perform duties of development and scientific research (with an exclusivity clause), in the scientific field of Biology and related areas. The research activities will be carried out at the Católica Biomedical Research Centre (CBR), integrated at the Católica Medical School of Universidade Católica Portuguesa, in Sintra, within the framework of the CrossTryp: "Control of protein trafficking in vascular physiology and pathology", a research project funded by "la Caixa" Foundation (reference HR24-00288).

Description of research activities:

1. Carrying out animal experimentation under the supervision of principal investigators, such as minor surgery, collection of biological samples, injection of drugs or other biological and/or chemical compounds.
2. Study of the mechanisms involved, namely the NOTCH pathway in the migration of endothelial cells in the formation of arteries in rodent.
3. Organ collection for immunohistochemistry and microscopy analysis of the samples.
4. In vitro assays to study the role of the NOTCH pathway in rodent and human cells.

2. Workplace

The workplace is located at the Sintra facilities of Universidade Católica Portuguesa.

3. Remuneration

Gross monthly pay is 1000€-1450€, depending on the candidate's CV, plus meal allowance, to which will be added annual leave and Christmas allowances.

4. Admission requirements

Any national, foreign, or stateless candidates who hold a degree in biological sciences or related scientific fields, and who furthermore hold a scientific and professional curriculum vitae whose profile is suited to the activities to be performed, can submit their application. If the degree was awarded by a foreign higher education institution, said degree must comply with the provisions of Portuguese legislation regarding the recognition of foreign degrees. For those purposes, the requirements described in **point no. 9** of this public notice must be considered.

4.1. General requirements

- Master in the field of Biology, Genetics, or related scientific areas.
- At least 1 year of experience in a similar role.
- Motivation to work with animals.
- Proactivity, autonomy, and critical thinking.
- Ability to handle large amounts of information.
- Fluency in written and spoken English.

4.2. Specific requirements

- Accreditation by DGAV as a competent person to perform procedures and euthanasia in rodents.
- Experience in biological sample collection methods and substance administration techniques.
- Experience in cellular and molecular biology.
- Good knowledge on vascular biology.
- Experience in techniques such as PCR, qPCR and data processing.
- Experience in microfluidics systems.
- Experience in immunofluorescence, microscopy, and image analysis.
- Experience in cell culture, transfection and viral infection of cells, preferably endothelial cells.

5. Assessment criteria

The assessment criteria, based on the requirements listed in point 4, are the following:

- i. Curricular evaluation (50%);
- ii. Previous experience (50%).

If necessary, the candidates ranked in the top positions may be interviewed, with the assessment criteria being the following: Curricular evaluation 40%; previous experience (40%); interview (20%).

6. Tender selection panel

The tender selection panel shall be formed by:

President of the Jury: Prof. Dr. Cláudio Franco;

Other members: Dr. Sara Pereira; Dr. Lis Lobo and Dr. Ana Figueiredo.

7. Deliberation and publication

The panel shall deliberate by means of roll-call voting based on the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be taken. These shall contain a summary of events, as well as details of the votes cast by each of the members and their respective reasoning. After all selection criteria have been applied, the panel shall prepare a ranked list of approved candidates and their respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate.

The ranked list of approved candidates will be posted at the Sintra facilities of Universidade Católica Portuguesa, located at Universidade Católica Portuguesa - Campus de Sintra, Estrada Octávio Pato 2635-631

Rio de Mouro, Portugal and will be published on the website [Católica Biomedical Research Centre | FM-WEBSITE \(ucp.pt\)](#). Candidates will be notified by email once this list has been made available.

8. Preliminary hearing and final decision deadline

After notification of the results, candidates have ten days to respond. In the following five days (counting from the end of the candidates' response period), the panel's final decision is issued.

9. Formal application procedure

Applications are formalized by sending the required documentation to lmisikova@ucp.pt.

Applications must be submitted in English.

Applications shall include the following documents:

- a) Curriculum vitae, detailed, emphasizing the curricular and professional background relevant to the tasks;
- b) Certificate of conclusion of the degree with the respective date, which must be submitted as an attachment to the form mentioned in the previous point, following the instructions specified in said form;
- c) Cover letter demonstrating the candidate's motivations;
- d) If the degree is issued by foreign higher education institutions, the candidate must submit the Recognition Certificate or proof of the application for recognition pursuant to Portuguese law.

If the degree has been awarded by a non-Portuguese higher education institution, said degree must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, as set out in Decree-Law no. 66/2018 of August 16th. Entering into a contract with the selected candidate is conditional on the submission of the formal document.

For additional information on this matter candidates are advised to check the website of the Directorate-General for Higher Education (DGES): <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

This call is subject to the signing of the Funding Contract for the project "CrossTryp: 'Decoding trypanosome interactions with the host vasculature', reference HR24-00288" between the coordinating institution and the la Caixa Foundation. If this contract is not signed, for whatever reason, the call will be considered null and void.

10. Application deadline

Candidates may submit their application, pursuant to the terms mentioned in the previous point, from November 25, 2024 until December 10, 2024 (until 5pm, Continental Portugal time).

Candidates who do not comply with the application's prerequisites or who fail to submit proof of meeting the requirements stated in the present public notice shall be excluded from consideration. In case of doubt, the panel is entitled to request that candidates present further documentation attesting to their written statements. Failure to submit the requested clarification, information, or documents, within five working days of being requested to do so, determines the dismissal of the application.

Any false statements made or provided by the candidates are punishable by law.

11. Privacy policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfillment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyze and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfillment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.
