

CIIS NATIONAL MEETING

Interdisciplinary Health Care

March 31 st , 2023 (Friday)	
TIME	ACTIVITY
10h30-11h15	Inscrição <i>Registration</i>
11h15 - 11h30	Prof. Dr. Paulo Bettencourt – Meeting Chair, CIIS Deputy Director and CatólicaMed Director
11h30-11h45	Professora Doutora Marlene Barros – CIIS Director
11h45-12h	Prof. Dr. António Almeida – Católica Medical School Dean
12h-12h15	Professora Doutora Isabel Capeloa Gil – Rector of Universidade Católica Portuguesa
12h15 – 12h30	
12h30-14h	Lunch Buffet
14h-14h15	<u>Prof. Dr. Paulo Bettencourt</u> <i>CatólicaMed</i>
14h15-14h30	<u>Prof. Dra. Ana Mineiro</u> <i>Translational Neuroscience</i>
14h30-14h45	<u>Prof. Dr. Nuno Rosa</u> <i>SalivaTec</i>
14h45-15h	<u>Prof. Dr. André Correia</u> <i>Precision Dental Medicine</i>
15h-15h15	<u>Prof. Dr. Paulo Alves /Prof. Dr. Sérgio Deodato</u> <i>Nursing Research</i>
15h15-17h15	POSTERS Session Coffee break
	SESSION 1 - Translational Care
17h15-17h30	<u>Prof. Dr. Bruno Cardoso</u> - <i>CatólicaMed</i> Targeting Myeloid Malignancies - a matter of time and death
17h30-17h45	<u>Prof. Dra. Marla Pinto</u> - <i>Precision Dental Medicine</i> Molecular & Immunological approaches in oral inflammatory diseases: a bridge to precision medicine
17h45h-18h	<u>Prof. Dra. Ana Peixoto Gomes</u> - <i>SalivaTec</i> Validation of salivary biomarkers for Inflammatory Bowel Disease diagnosis and monitoring
18h-18h15	<u>Prof. Dr. David Pires</u> - <i>CatólicaMed</i> Targeting lysosomal proteases for a host-directed therapy for tuberculosis
18h15-18h30	<u>Prof. Dra. Ana Sofia Duarte</u> - <i>SalivaTec</i> Exploring the biological properties and regenerative potential of biomaterials using cell culture models
19h	Jantar/ Dinner

April 1 st , 2023 (Saturday)	
TIME	ACTIVITY
	SESSION 2 – Clinical Care
9h30-9h45	Prof. Dra. Carla Pais-Vieira - <i>Translational Neuroscience</i> Psychological autonomy and central pattern generator activation in a spinal cord injury patient during immersive motor imagery BMI-Driven VR System
9h45-10h	Prof. Dra. Paula Ravasco - <i>CatólicaMed</i> Nutrition in Cancer: Into a growing future
10h-10h15	Prof. Dr. Paulo Alves - <i>Nursing Research</i> Clinical Wound Support I Decision-making in wound monitoring and treatment
10h15-10h30	Prof. Dra. Zaida Charepe - <i>Nursing Research</i> HOPE2BRAIN+: Evaluating the effectiveness of a hope-promoting multilevel intervention program for increasing executive functions and quality of life in children with cancer disease
10h30-10h45	Prof. Dr. Frederico Couto - <i>CatólicaMed</i> Cognition in psychiatric disorders
10h45-11h15	Coffee break
11h15-11h30	Prof. Dr. Pedro Melo - <i>Nursing Research</i> Projeto MAIEC - Research on Community empowerment at the service of the sustainable development goals
11h30-11h45	Prof. Dr. António Almeida - <i>CatólicaMed</i> Epigenetics in hematological malignancies
11h45-12h	Prof. Dr. João Miguel Pereira From biostatistics to AI in biomedical sciences: a vision for the future of research
12h-12h15	Prof. Dra. Raquel Silva - <i>SalivaTec</i> Multidimensional monitorization of nutritional interventions during cancer treatment – Patient centered approach including noninvasive saliva monitoring
12h15-12h30	Prof. Dra Patricia Fonseca - <i>Precision Dental Medicine</i> Clinical research in dentistry - new approaches.
12h30 – 14h	Lunch Buffet
	SESSION 3 – Community Care
14h-14h15	Prof. Dr. Nélio Veiga - <i>Precision Dental Medicine</i> Community-based research: the pathway to improve health knowledge
14h15-14h30	Prof. Dra. Rita Canaipa - <i>Translational Neuroscience</i> The Bayesian Brain Hypothesis and pain perception in migraine
14h30-14h45	Prof. Dra Vânia Nunes - <i>Translational Neuroscience</i> DemenPrev: A multidomain intervention for dementia prevention in the Portuguese Context
14h45-15h	Prof. Dra. Sílvia Caldeira - <i>Nursing Research</i> Research on spirituality in health: Internationalization, integrity, innovation, and implementation
15h-15h15	Prof. Dra. Amélia Simões Figueiredo - <i>Nursing Research</i> Diagnosis and risk prevention of Covid 19 in homeless people in Lisbon
15h15	Closing Session and the BEST Poster Award Delivery Professor Doutor Peter Hanenberg – Vice-Rector for Science - Coffee Break -
